"If the impossible is possible anywhere, it'll be possible in Eerie-On-Sea"

Welcome to the sleepy beach town of Eerie-on-Sea! Malamander was one of our favorite read alouds last year...so much so that we are reading it again! Since we are Lapbook lovers at our house, I decided to create a simple Lapbook to go along with our Book Club here at the Booknerd Cafe! You can go at your own pace or read along with us! I am excited for you to meet Herbie, Violet, and the entire gang!

## Read Chapters 21-24

In Chapter 21 we hear the story of Captain K and the Leviathan. Let's add Captain K to our suitcase!

In Chapter 22 Herbie and Violet are in the Eerie Museum. When they are discussing HOW something got into the museum, Dr.Thalassi points them to the chimney. In the soot they discover a large scale with green and purple. Below we will design a scale and color it however you would like. Add to your lapbook.
